

Scholarships

Every student now qualifies for a state scholarship which greatly reduces your cost for tuition. A combination of EdChoice Expansion with the Diocese Tuition Assistance or the Angel Scholarship can further reduce the amount of tuition owed, if any.

Diocese and/or Parish Financial Needs-Based Assistance

Application is completed online through FACTS. (See *financial aid* on our website – www.stedwardashland.org) There is a fee per family to apply. The same application will be used by St. Edward School to assess assistance through our Tuition Angel Fund. Awards for needs-based financial assistance will be made to eligible families. Please apply before March 15 for the next school year.

Jon Peterson Scholarship

St. Edward School is a Jon Peterson Provider. The Jon Peterson Scholarship provides funding for tuition and services for students with special needs who are on an individualized education plan.

Angel Scholarship

There is also an Angel Scholarship available through the Catholic Community Foundation.
